Small Pantry Reset Checklist

A practical, budget-friendly worksheet to use as you organize.

THE SEVEN-STEP PANTRY RESET

- [ ] Clear and wipe one shelf; check dates, spills, and packaging.
- [ ] Create food zones for breakfast, meals, snacks, and baking.
- [ ] Reuse food-safe containers only when they make storage easier.
- [ ] Group baking staples and keep the original product details.
- [ ] Put older packaged foods in front and inspect cans.
- [ ] Check what you already own before making a grocery list.
- [ ] Keep everyday essentials easy to reach and maintain.

QUICK INVENTORY - NOTE WHAT TO USE FIRST

Food / Ingredient	Quantity	Use by / Notes

MAINTENANCE HABIT

Each week: check leftovers, visible quantities, and your next shopping list.
Use food-safe containers; follow product labels and official storage advice.
